MODELING PORTFOLIO AND TALENT HEADSHOTS

TESTING

I do testing only once a year at the AFA events. If you are interested in testing I will be there in April. You can sign up at www.AFAworkshop.net to attend. It is a great event, and provides me with an entire portfolio update of photos once a year using great professional agency models, stylists, etc.

PERSONAL CONSULTATIONS

\$200.00 for a 2-hour consultation (makeup lesson) I limit personal consultations to models and people in the entertainment industry.

MAKE-UP, HAIR AND WARDROBE STYLING ASSISTANTS

I have access to assistants that work with me on a regular basis. If your job requires assistants they run about \$100.00 to \$200.00 per day depending on the job description. I provide assistants as a favor to my clients and to the assistants; I do not work as an agent or make money personally on assistants.

KIT FEE

Kit fee will vary depending on the job and the standards for your area. I do NOT currently charge a kit fee for any type of work in the San Diego area.

TRAVEL CHARGE

Travel Charges will apply for any job outside of the Southern California area. Please email Mary for specific travel rates to your area.
